

VET-LAB Yard Worm Count Record Sheet

Keep each horse's worm egg count results, treatments and retests in one place.

Yard / owner: _____ Year: _____

Horse	Test date	Result (EPG)	Treatment given (date and product)	Retest date	Retest result (EPG)	Notes

EPG = eggs per gram. Retest around 10 to 14 days after treatment to check the wormer worked. Print as many copies as you need.
